**DECLARATION, POWER OF ATTORNEY, AND PETITION**

The undersigned inventor declares that:

- A. I am a citizen of the United States of America.
- B. My residence address is 320 E. Cheyenne Road, Dexter, New Mexico 88230, and my post office or mailing address is 320 E. Cheyenne Road, Dexter, New Mexico 88230.
- C. I believe I am the original, first, and sole inventor of the subject matter of the subject matter that is claimed and for which a patent is sought on the invention entitled Automated Oil-Based Insect Control System described and claimed in the attached application for a U.S. nonprovisional patent ("Application").
- D. The specification of the application is attached hereto and to the Application.
- E. I have reviewed and understand the contents of the above identified specification, including the claims.

F. I acknowledge the duty to disclose information which is material to patentability as defined in 37 C.F.R. §1.56, including for continuation-in-part applications, material information which became or becomes available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application.

G. I hereby claim priority benefits under 35 U.S.C. §120 of the earlier filed co-pending continuation-in-part application, Application No. 09/810,904, entitled an Apparatus for Variably Discharging Ingredients on an Animal, filed March 15, 2001, for which the U.S. Patent Office has issued a notice of allowability, and insofar as the subject matter of each of the claims of the application for Letters Patent accompanying this Declaration is not disclosed in the earlier filed pending application in the manner provided by 35 U.S.C. §112, I acknowledge the duty to disclose material information, as defined in 37 C.F.R. §1.56(a) that occurred between the filing date of the earlier filed application and the filing date of the application for Letters Patent accompanying this Declaration.

H. I hereby appoint of the following registered practitioner to prosecute the application and to transact all business in the U.S. Patent and Trademark Office in connection with the application, with full power of substitution and revocation: Ray R. Regan, Esq., Registered Patent Attorney, Registration No. 36,899. Please direct all correspondence and other communications to:
